Introduction

Keene State College collects and shares important data about our community. This Factbook provides a snapshot of timely information to serve as a resource for all who would like to learn more about the College and the students we serve. It is updated every year.

Keene State College was founded in 1909, and continues to offer a broad spectrum of academic programs that are grounded in the values and promises of the liberal arts. Our distinctive educational experience offers more than 40 areas of study that provide our students with hands-on, real-world learning opportunities and a focus on critical thinking, innovation, and collaboration. For our residential students, the student life experience on campus, paired with high-quality academic programs, results in an outstanding education with opportunity for personal growth. Keene State's commitment is to prepare students for career opportunities that exist now and throughout a lifetime.

The quality of many of Keene State's academic offerings and centers is acknowledged by nationally recognized accrediting associations. Keene State can be found in Tier I of US News and World Report rankings of Regional Universities in the North. The Carnegie Foundation for the Advancement of Teaching has designated Keene State College as a Carnegie Engaged Campus, acknowledging our commitment to civic engagement. The Princeton Review, in collaboration with the Center for Green Schools and the US Green Building Council, has recognized Keene State College for its commitment to sustainability as one of the country's greenest schools. These prestigious accomplishments, and many others, recognize the College's commitment to academic excellence, the pursuit of quality in all of our programming, and the success of our students long after they leave our campus.

Mission and Values

Mission

Keene State College prepares promising students to think critically and creatively, to engage in active citizenship, and to pursue meaningful work. As the public liberal arts college of New Hampshire, we offer an enriching campus community and achieve academic excellence through the integration of teaching, learning, scholarship, and service.

Values

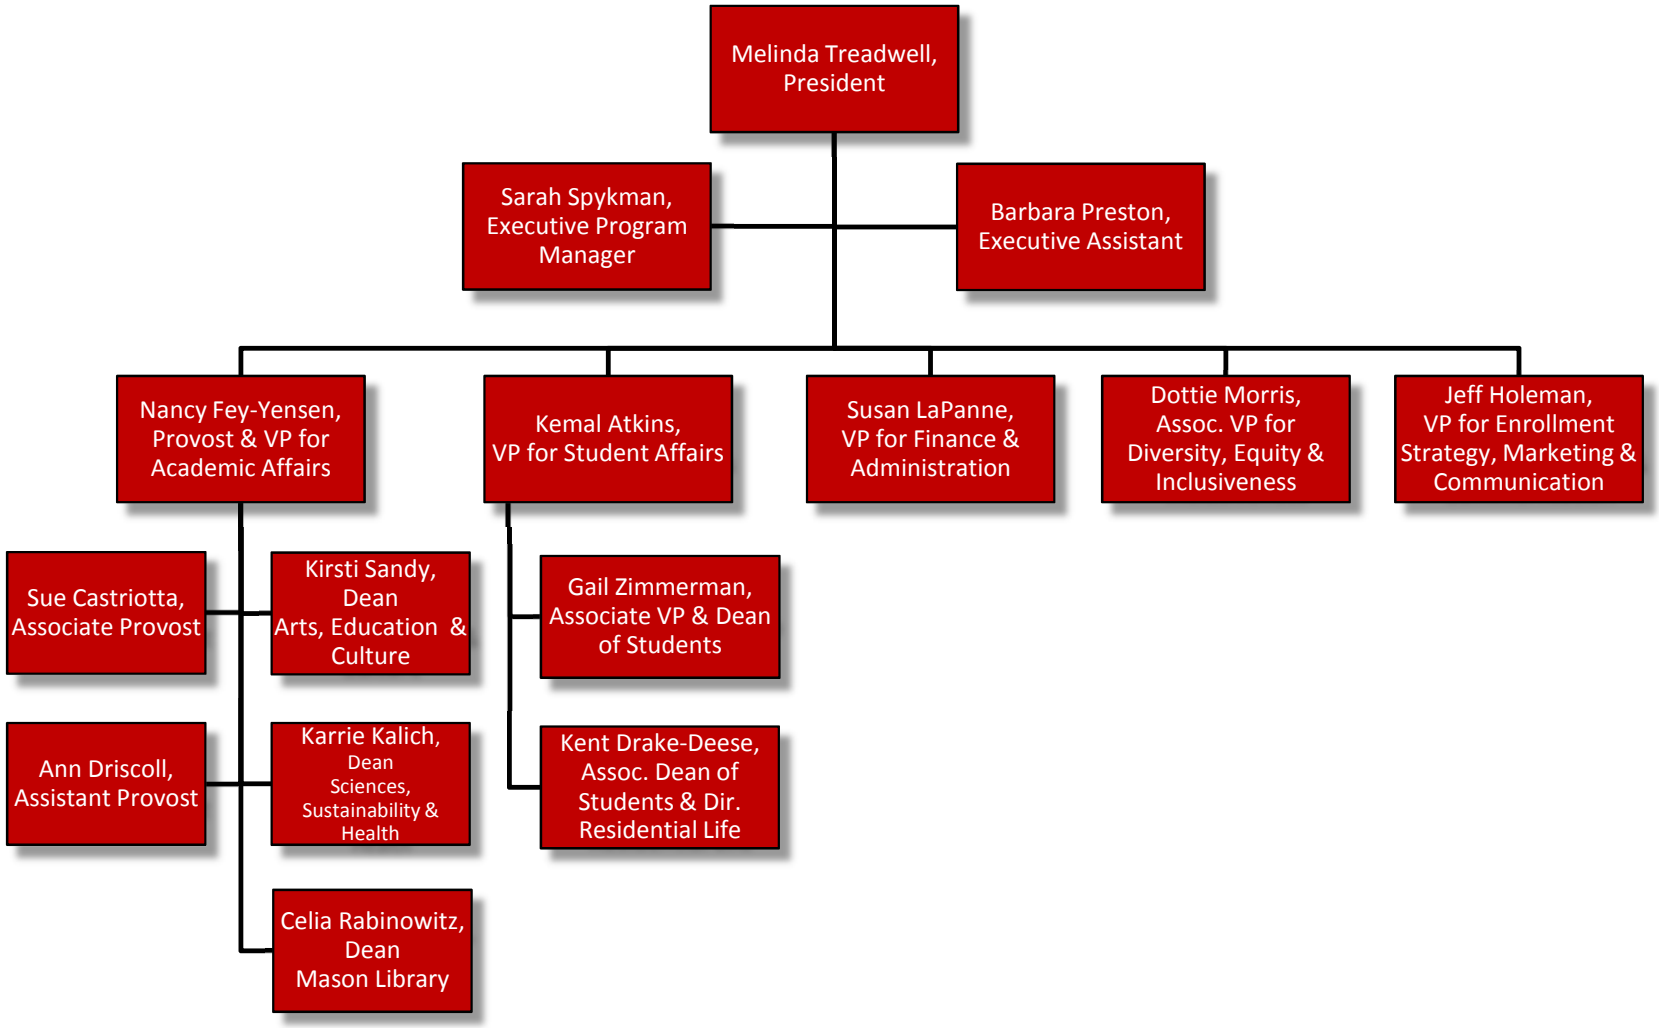

Our liberal arts mission dedicates us to the development of knowledge and skills necessary to meet the challenges of our changing world. As a public institution, we provide educational opportunities for all qualified students and continue our heritage of service to New Hampshire and the New England region.

We Value:

- All members of our community: students, faculty, staff, alumni, and friends.
- Strong relationships among students, faculty, and staff.
- Excellence in teaching, learning, and scholarship.
- Commitment to learning and cultural enrichment.
- Social justice and equity in our community and in our curriculum.
- Educational challenge and support for a wide range of learners.
- Physical and financial access and support.
- Balanced development of mind, body, and character.
- Diversity, civility, and respect.
- Civic engagement and service to the community.
- Environmental stewardship and sustainability.
- Partnerships that enhance the quality of life in the Monadnock region, New Hampshire, and the world.
- An attractive campus that inspires and supports inquiry, reflection, and social interaction.

Definitions

First-Time, First-Year Students are those incoming students who have been admitted for the first time with no credits (other than those earned in advanced classes taken in high school or in the summer after high school graduation).

Transfer Students are those incoming students who enter Keene State College with credits from another college.

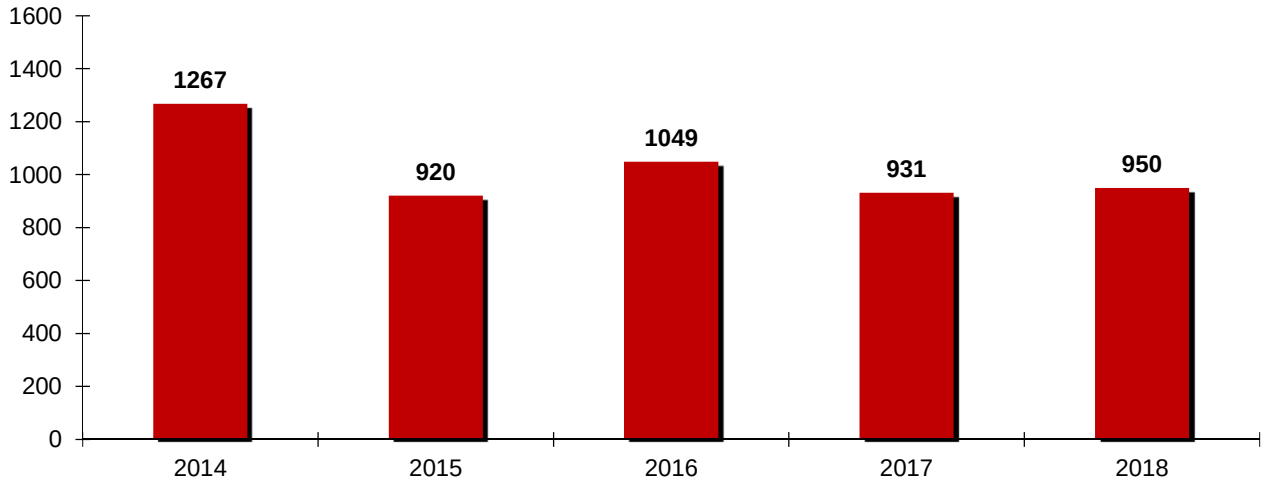

Race/Ethnicity is gathered from all students at the point of entry according to federal guidelines. Students who are not US citizens or permanent residents are counted as non-resident aliens and are not included in race/ethnicity data.

First-Generation Students - Students report parental education on their admission application. First-generation students are those for whom neither parent possesses a four-year college degree.

Enrollment

All data are taken from KSC's official census date of R+30, which is 30 days after the first day of classes

Definitions continued

Continuing Education students are those taking credit-bearing courses but not formally enrolled as degree- or certificate-seeking students.

Full-Time equals a minimum credit load of 12 for an undergraduate or a minimum of 9 for graduate students.

Part-Time equals less than the minimum full-time credit loads for undergraduates or graduates.

Headcount is the number of students enrolled, regardless of their credit load.

FTE is full-time equivalent students. Each full-time student is counted as one, regardless of how many credits he or she is taking. The credits taken by all part-time students are totaled and divided by the minimum full-time credit load.

FFTE is financial full-time equivalent students. This is total annual tuition and fee revenues divided by the annual tuition rate based on each KSC tuition rate category.

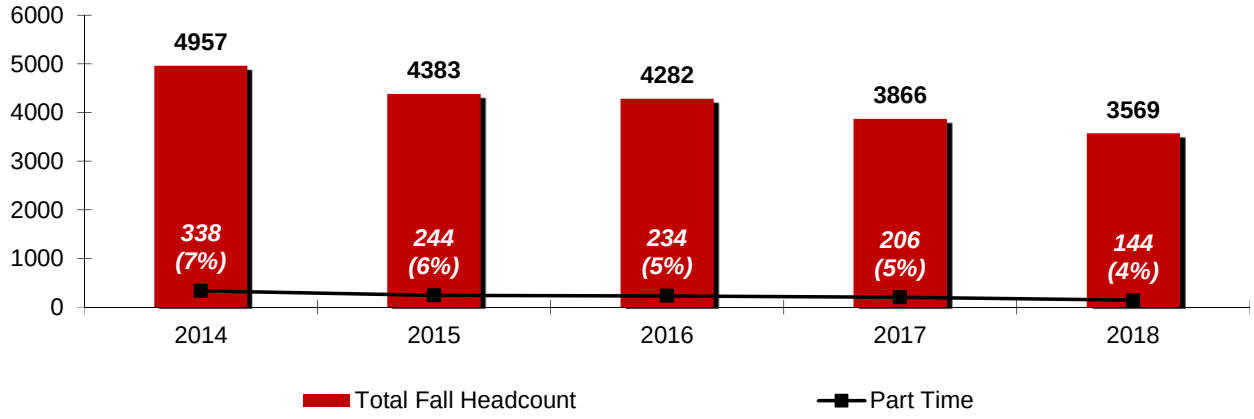

Residency is determined by the legal home state of the student. Residents reside within New Hampshire and non-residents reside outside of New Hampshire.

Class Levels are based on the number of credits a student has completed - freshmen/first-year students have completed 0-29 credits, sophomores have 30-59, juniors have 60-89, and seniors have 90 or more credits.

International Student is a foreign citizen student regardless of visa status.

Headcount is an unduplicated count of all enrolled students.

FTE - Full-time equivalent. Full-time students are each counted as one FTE. Part-time student FTE is calculated by totaling all credits taken by part-time students and dividing by the minimum full-time credit load.

FFTE - Financial full-time equivalent. This is calculated by totaling annual tuition and fee revenues and dividing that by the annual tuition rate based on each KSC tuition rate category. Data supplied by the KSC Business Office.

When a student declares a second major and the option/specialization is not known, it is listed as a second major under that academic program.

**Majors that are currently not offered to new students are shown in italics*

As of Fall 2016, although still available, Teacher Certification coding has been discontinued for many majors.

Starting in Fall 2016, most first-time freshmen were moved directly into majors instead of being undeclared.

Prior to Fall 2018, all programs/majors were divided between the School of Professional & Graduate Studies and the School of Sciences & Social Sciences.

Retention and Graduation

Retention Rates by Cohort	Trend of retention rates for first-time, first-year students.
Retention Rates for Demographic Groups	Trend of retention rates for first-generation students. Trend of retention rates for students of color. Trend of retention rates for Pell Grant recipients. Trend of retention rates by gender of students. Trend of retention rates by residency of students.
Graduation Rates by Cohort	Trend of four-, five-, six-, seven-, & eight-year graduation rates for first-time, first-year students.
Graduation Rates for Demographic Groups	Trend of graduation rates for first-generation students. Trend of graduation rates for students of color. Trend of graduation rates for Pell Grant recipients. Trend of graduation rates by gender of students. Trend of graduation rates by residency of students.
Degrees Awarded	Trend of total degrees awarded during each fiscal year. Degrees awarded at spring, summer and winter commencements are counted.
Graduated Students by Gender	Trend of unduplicated headcounts of all students who were awarded a degree during each fiscal year by gender.
Graduated Students by Race/Ethnicity	Trend of unduplicated headcounts of all students who were awarded a degree during each fiscal year by race/ethnicity.
Majors At Graduation	Trend of majors, by academic school, of those who graduated in each fiscal year. Because this number includes second majors, it exceeds the number of degrees conferred.
Minors At Graduation	Trend of minors, by academic school, of those who graduated in each fiscal year.

Retention and Graduation

Definitions

Post Baccalaureates are students with a bachelor's degree returning for teaching certification - counted as undergraduates.

First-Generation Students - Students report parental education on their admission application. First-generation students are those for whom neither parent possesses a four-year college degree.

Pell Grant Recipients – Pell-grant recipients are used as a proxy for low-income status. Some students who receive Federal Pell grants may not actually be from low-income families (for example, if there are many students from that family enrolled in college at once).

Retention Rates by Cohort

2016	1047	71.2	63.0			
2017	928	72.1				

Note: Retention rates are calculated based on all full-time, first-time, bachelor degree seeking students entering in fall of a given year. For Factbooks published prior to fall 2006 these rates were calculated using all first-time, first-year undergraduate degree seeking students regardless of full- or part-time status. Historical data presented here have been recalculated based on full-time students only so that figures in these tables are consistently derived.

The data reported here differ slightly from retention rates reported in previous Keene State College Factbooks because IPEDS rules have been applied retroactively to cohort years 2006-2009. These rules require that students who are deceased or who are away for activities such as military deployment or church missions be removed from the analysis. Future Factbooks will report retention data consistent with this methodology.

**Consistent with IPEDS rules, for 2015 enrollment and retention calculations, students who were on a Study Away semester were not included in the analysis of retained students. This IPEDs rule was changed after one year. Starting with 2016 enrollment and retention calculations, Study Away students were included in the analysis.*

Retention rates for Cohort 2007 & 2008 have been modified from some previous Factbooks to exclude Military LOA students not previously accounted for.

2016	448	69.9	62.0			
2017	463	68.3				

Retention rates are calculated based on all full-time, first-time, bachelor degree seeking students entering in fall of a given year.

IPEDS rules have been applied to these calculations. These rules require that students who are deceased or who are away for activities such as military deployment or church missions be removed from the analysis.

Readers should interpret retention rates with caution when they are computed for small groups. A change of a small number of students from year to year will result in a large percentage change.

**Consistent with IPEDS rules, for 2015 enrollment and retention calculations, students who were on a Study Away semester were not included in the analysis of retained students. This IPEDs rule was changed after one year. Starting with 2016 enrollment and retention calculations, Study Away students were included in the analysis.*

Retention rates are calculated based on all full-time, first-time, bachelor degree seeking students entering in fall of a given year.

IPEDS rules have been applied to these calculations. These rules require that students who are deceased or who are away for activities such as military deployment or church missions be removed from the analysis.

Readers should interpret retention rates with caution when they are computed for small groups. A change of a small number of students from year to year will result in a large percentage change.

**Consistent with IPEDS rules, for 2015 enrollment and retention calculations, students who were on a Study Away semester were not included in the analysis of retained students. This IPEDs rule was changed after one year. Starting with 2016 enrollment and retention calculations, Study Away students were included in the analysis.*

Note: Graduation rates are calculated based on all full-time, first-time, bachelor degree seeking students entering in fall of a given year. For Factbooks published prior to fall 2006 these rates were calculated using all first-time, first-year undergraduate degree seeking students regardless of full- or part-time status. Historical data presented here have been recalculated based on full-time students only so that figures in these tables are consistently derived.

The data reported here differ slightly from graduation rates reported in previous Keene State College Factbooks because IPEDS rules have been applied retroactively to cohort years 2005-2009. These rules require that students who are deceased or who are away for activities such as military deployment or church missions be removed from the analysis. Future Factbooks will report retention data consistent with this methodology.

IPEDS rules have been applied to these calculations. These rules require that students who are deceased or who are away for activities such as military deployment or church missions be removed from the analysis.

**Graduation rates for Cohort 2007 & 2008 have been modified from previous Factbooks to exclude a Military LOA student not previously accounted for.*

Starting with the 2006 cohort, IPEDS requested outcome measures for 8-year graduation rates.

A fiscal year graduation cycle occurs between July 1 & June 30, encompassing August, December & May Graduations.

When a student graduates with a second major and the option/specialization is not known, it is listed as a second major under that academic program.

**Majors that are currently not offered to new students are shown in italics*

As of Fall 2016, although still available, Teacher Certification coding has been discontinued for many majors.

Prior to Fall 2018, all programs/majors were part of the Arts & Humanities, except for Education which was part of Professional Studies.

A fiscal year graduation cycle occurs between July 1 & June 30, encompassing August, December & May Graduations.
When a student graduates with a second major and the option/specialization is not known, it is listed as a second major under that academic program.
**Majors that are currently not offered to new students are shown in italics*
As of Fall 2016, although still available, Teacher Certification coding has been discontinued for many majors.
Prior to Fall 2018, all programs/majors were part of the Arts & Humanities, except for Education which was part of Professional Studies.

**Implementation of a Discovery layer resulted in larger holdings counts for FY18 than in previous years. Inconsistent deduplication practices also skewed results.*

***A major change in institutional repository platform led to holdings and other counts which are managed differently. The most significant changes are between FY17-FY18 counts.*

FY15 data represent access on a new online platform. Some usage data may have been lost during the transition.
